LONGRIDGE TOWERS 100 CLUB

For those of you who are unsure of what the LTS 100 Club is all about, hopefully the following notes will help your understanding. New Members are always most welcome to join the Club .

What is the LTS 100 Club?

Membership of the Club gives you the chance to win cash prizes whilst simultaneously supporting the school: 50% of the funds are distributed in prizes, with the other 50% of funds being used to purchase specialist equipment for Longridge.

Is Membership Limited?

There is no limit to the number of Club Members. In fact, more members mean there is more scope to pay out even more, higher value prizes! Members do not necessarily have to have children at the school - your friends/relations can also subscribe to the Club for their own chance to win, whilst helping to support the school too.

How often are the Prize Draws?

Prize Draws are made every month - there is also an Annual Grand Prize Draw. The cash prizes depend on the number of Club Members but current monthly prizes are 1st Prize: £30, 2nd Prize: £20. Last year's Annual Grand Prize Draw paid out a 1st Prize of £200, 2nd Prize of £100 and 3rd Prize of £50.

How much does it cost to join?

For only £2.50/month (payable by S.O.) or an annual payment of £30 you can join the Club and get the chance to win BIG CASH PRIZES!!

How do I join?

Please set up a monthly standing order through your own bank, paying £2.50 per month to the Longridge Towers School 100 club. Sort code 12-12-57 Account number 00531874. Please put your surname as a reference. Alternatively, you can pay £30 per year by cheque.

How does Longridge School benefit?

50% of funds raised by the 100 Club are used to purchase specialist equipment for the school. The Club has recently part funded the new all weather flooring in the Jerningham playground.
