Weekly News Friday 11th January 2019

Happy New Year!

Welcome back after the Christmas break, we hope you all had an enjoyable time with your families and loved ones. We look forward to a full calendar of events in the term ahead, both academic and social.

Sixth Form Snow Ball

This was an excellent, fun filled evening which was well attended by Alumni and guests from other senior schools in the area, and excellently led by our senior pupils. We are grateful to everyone involved for making it such a successful event.

Early Years Foundation Stage

As part of our introduction to our new topic of toys, EYFS have talked about and described our favourite toy each child had received for Christmas. Some children had

brought in their toys which they shared with the other children. We built Sophie's track together and had great fun making ramps with our hands to make her toy cars race over!

German Exchange Hosts

If anyone would like to host either one or two young German pupils aged about 13-14 for the German Exchange school visit to Longridge in March 2019, please could you let Mr Caddick know by email at mcaddick@lts.org.uk . The Germans all speak very good English and would be delighted to spend some time with our families next year.

North Wales Adventure Sports Trip, October 2019

There are only 3 places left of the trip to North Wales in October. If you would like to have a go at white-water rafting, an underground 'via ferrata' (a climbing, scrambling and zip-wire course in a dis-used slate mine) and the world's fastest zip wire which is over a mile long, please ask Mr Dodd for information or email: pdodd@lts.org.uk The cost of the trip is £375 for 3 nights and 4 days from 20th to the 23rd October.

Senior Production of Dr Doolittle

The Doctor Dolittle production team would really like donations of plastic bottles, preferably clear plastic, both large and small. These will be creatively reused by the puppet makers! If you have any plastic bottles, please ask your son/daughter to bring them to C1 next week. Thank you.

Pupil News

Liam (J5) was recently awarded the Duns ASC Joyce Waddell Junior Trophy. Joyce was a former Duns ASC Head Coach, who sadly passed away recently. Liam is the first recipient of this trophy. It is awarded in memory of Joyce and her ethos - for trying your best no matter how talented the swimmer, training consistently, willing to take on new skills, being a team player and good sportsmanship. Well done, Liam!
