Youth Orchestra Visit

The orchestra of Remscheid Music and Arts School from Berwick's twin town of Haan in Germany visited Longridge yesterday. They performed a very varied concert for Forms 1 to 3, including folk music from all around the world, baroque favourites such as Pachelbel's Canon, and more modern tunes such as the Theme from Jurassic Park and the standard of musicianship was outstanding.

After the concert, the German pupils and Mr Caddick's Form 2 German class, had hot chocolate and cookies and chatted (in German!). The orchestra are playing several other venues in this area on the coming three days. They will also be performing at St Andrew's Wallace Green Church tomorrow (Saturday) at 11am.

Lepra

This is a last call for anybody who has raised funds for Lepra from before the Easter holidays. Please could the envelope be returned to Mrs Jobson or Mr Caddick before Friday 3rd May. Thank you.
