Adverse Weather

With the downgrading of the amber weather warning (red in some areas) to a yellow be aware warning, we have hopefully seen the last of the severe weather conditions that has brought the entire area to a standstill this week. Whilst the School remained open for boarders, the safety of our pupils, parents and staff was paramount in these severe conditions.

The next scheduled status update will be on Sunday 4th March at 4pm.

Please note the following changes this weekend:

- Saturday 3rd March - Junior Department Taster Morning has been postponed until Saturday 28th April.
- Sunday 4th March - The rehearsal for 'Our Day Out' at school has been cancelled.

Please note that we are contactable at all times via email: enquiries@lts.org.uk

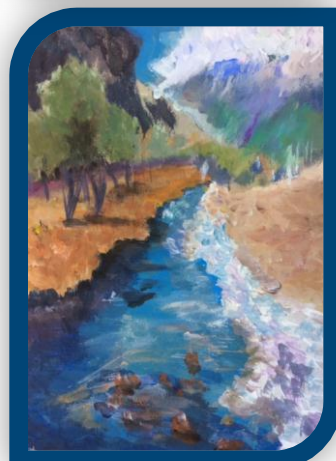

Thank you for your patience in these extreme conditions. We would also like to thank the staff who have been keeping the school going, despite the snow. Below are photographs of the main road at the bottom of our school drive. The far right photo was sent to us from Colin the Greenlaw bus driver.

Boarding

Last Sunday before the weather closed in, the boarders travelled to the Odeon cinema, Edinburgh to see the newly released Marvel film 'The Black Panther'. With popcorn ready everyone settled down to watch the film which follows T'Challa's return home to the isolated, technologically advanced African nation of Wakanda to take his place as King. However, when an old enemy reappears on the radar, T'Challa is tested when he is drawn into a conflict that puts the entire fate of Wakanda and the world at risk. Everyone thought it was one of the best movies they had ever seen, and was a great afternoon out. This week we have warmly welcomed a new boarder, Diego from Madrid. We hope he enjoys his time with us.
