

Animals assisting us/Pet power!!

**This will be an opportunity for pupils and staff to share their experiences, along with (if possible) photos or video clips of animals, whether owned personally, or perhaps living in the fields nearby... which bring pleasure, entertainment or relaxation. This will help us understand the benefits of having animals around, and perhaps encourage those who have not tried it, to engage in such a way; so everyone - whether a person or a pet - is extremely welcome to join in! Please post your experiences in your Form Class Google Classroom or in the Pets at Home Classroom:
