### 100 Club Report 2020-21

This is the first year I have run the 100 Club, taking over from Lucy Gourlay's great work over the previous few years.

During the last year the 100 Club has undergone re-branding and new promotion material, and I would like to thank the school for supporting this through the distribution of postcards and enabling me to make Facebook posts. This has seen our numbers increase by 15. Unfortunately we have lost two members, but our total is a healthy 72, which is a good number considering we are still unable to promote the club through in-person events due to Covid. I would like to think that when life returns to normal we will be able to increase this significantly.

Opening balance 27th September 2020:	£1,683.71
Plus: total income 27/09/20 to 26/09/21:	£1,897.50
Less: total outgoings 27/09/20 to 26/09/21*:	(£2,320.00)
Closing balance 26th September 2021:	£1,261.21
*Total paid in monthly prizes:	£ 650.00
