This Policy applies to the Early Years and Junior Department and is published to staff and parents.

Next review date: August 2024

In the event of a child going missing during school hours, the school will immediately implement the procedures detailed below.

The school will ensure that a thorough search is made immediately that the child is discovered to be missing, and that the parents and authorities are notified. The other children will be cared for while procedures are followed.

Procedures

If a child goes missing from school:

- The staff will carry out a thorough search of the building and immediate grounds. The remaining children in the class will be supervised by another member of staff along with the other Jerningham children to allow more staff to help with the search.
- The register will be taken to ensure that there are no other children missing.
- Staff and children will be asked if they have seen the missing child, to help establish where the child was last seen.
- The Head of Junior Department will be informed (if the Head of Junior Department is not available the Headmaster should be contacted in the first instance) and will notify the Headmaster and the main school office.
- The Headmaster's Personal Assistant and the Bursar's Personal Assistant will organise the staff team and initiate the school's Missing Child Procedures (see Appendix 1) allocating staff to specific search areas.
- The staff team, the child's class teacher and the Head of Junior Department will keep the Headmaster informed and liaise closely without impeding the search.
- The Head of Junior Department will talk to staff to establish what happened.
- If the child is not found, the parents/carers will be informed by the Headmaster.
- The police will be contacted by the Headmaster or the Head of the Junior Department and the child reported missing.

If a child goes missing from an outing:

- As soon as a child is reported to be missing, staff should ask the children to stand with their designated adult in charge and a head count is then carried out. One member of staff to carry out a search of the immediate area.
- The trip leader is informed, and they inform the Head of Junior Department. If the Head of Junior Department is not available the Headmaster should be contacted in the first instance.
- If the outing is to an organised attraction the trip leader contacts security to enlist their help.

- If the child is not located, the trip leader contacts the police and remains in phone contact with the police and the Head of Junior Department.
- The Headmaster or the Head of the Junior Department informs parents / carers.
- If possible the remaining children should be taken back to school or to a safe area.

When the child is found:

- Two members of staff will care for the child and talk to the child to establish what happened.
- All people need to be informed that the child has been found as soon as is practicable.
- Other adults will talk to the rest of the children to ensure that they understand that they must not leave the group/building.

After the Incident:

- The Head of Junior Department will review the events surrounding the disappearance of the child.
- If appropriate a brief letter will be sent home with the children outlining the circumstances of the incident.
- Any questions from either parents or the press should be directed to the Head of Junior Department or the Headmaster.

The Investigation:

- The Head of Junior Department will carry out a full investigation into the incident and take written statements from any staff present at the time. The staff should sign and date their statements.
- The Head of Junior Department should give a full written report to the Headmaster containing details of time and place that the child went missing, and the circumstances surrounding the incident.
- The appropriate agencies should be contacted by the Headmaster or the Head of the Junior Department depending on the nature/severity of the incident.
- The Insurance Company should be informed if appropriate.
- The incident should be reported to RIDDOR if appropriate.
