Longridge Towers School is a 3 – 19 years school. Whilst understanding that in legal terms, in Scotland a young person is deemed an adult at 16 and in England an adult at 18, the following policy aides the School in the managing of appropriate behaviour and its duties in safeguarding all members of the School community. Therefore, for the purpose of clarity, the term pupil in this context encompasses those who are registered to attend classes regardless of age and legal status as an adult. We expect all pupils to abide by our school rules and policies, irrespective of their age.

Introduction

Longridge Towers School aims to encourage pupils to adopt the highest standards of behaviour, principles and moral values and to respect the ethos of the school. Promoting the emotional well-being of all of our pupils is key to their development. We aim to teach trust and mutual respect for everyone. We believe that good relations, good manners and a secure learning environment play a crucial part in the development of intellectually curious pupils, who are motivated to become life-long learners. We foster qualities of teamwork and leadership through our extensive co-curricular and enrichment programme, whilst encouraging positive attitude in self-management, collaboration and communication in all aspects of school life.

Longridge Towers School is an inclusive community. We welcome pupils from a wide variety of backgrounds and we treat everyone as an individual, aiming to develop the whole person equipped to take his/her place in the modern world.

Parents and Guardians who accept a place for their child at Longridge Towers School undertake to uphold the school's policies and regulations, including this policy, when they sign the Parent Contract. They should support the school regarding matters such as attendance, punctuality, uniform/dress and appearance, standards of academic work, extra-curricular activities, homework/private study and behaviour. They agree, when signing the contract, that their child will comply with the School Rules and they undertake to support the authority of the Headmaster in enforcing them in a fair manner, that is designed to safeguard the welfare of the community as a whole.

This policy applies to all pupils in the School including those in our Early Years Foundation Setting (EYFS). Our designated staff member responsible for behaviour management in EYFS is Mrs Bullen.

School Values and Code of Conduct

The School's community of Governors, staff, parents and pupils adhere to an established routine and code of conduct.

At Longridge we have high expectations of behaviour and are a polite and well-mannered school. We respect others and take their views seriously. We believe in work with endeavour and we allow others to learn. We come to school on time, dressed appropriately and with the necessary equipment, enthusiasm and completed tasks. We maintain a clean, safe and pleasant school environment. We work to the best of our ability and are proud of our achievements as well as those of others.

The School's ambitions are underpinned by certain values:

- Work with Care and Passion - being kind to ourselves and to others, and caring about outcomes
- Build Resilience - be resilient to manage current and future challenges, both in school and in life
- Deliver Our Promises - do what we say
- Show Respect - for ourselves, for others and for our environment

We use three approaches to learning that support pupils' academic growth and development: their focus on communication, collaboration and self-management.

Senior pupils who demonstrate a positive attitude and embrace the school values will see this recognised in their Attitude to Learning Grades, and via the recording of positive events (Merits) by teachers and Form Tutors. Pupils who display a consistently constructive approach can expect to be appropriately rewarded. For Senior pupils, all merits are recorded on the school management system (3SYS) and contribute towards House Points. There are also weekly nominations for pupil of the week.

Pupils in the Junior Department may receive House Points for demonstrating a positive attitude and embracing school values. They may also be recognised with rewards in our weekly celebration assembly and also via notes home to parents.

Longridge Towers School sees education as a partnership. Our staff team is committed to excellence, aiming to achieve a spirit of trust and co-operation. We expect the highest values and standards of behaviour inside and outside the classroom, as well as beyond the school and in any written or electronic communication concerning the school.

We expect pupils and staff to treat each other with consideration and good manners and to respond positively to the opportunities and demands of school life. Pupils should follow the School Rules and appreciate what is expected of them and why sanctions may be imposed for inconsiderate behaviour. Pupils should understand what constitutes inconsiderate/ unacceptable behaviour and what the consequences are of such conduct.

Everyone has a right to feel secure and to be treated with respect at Longridge Towers School. Harassment and bullying will not be tolerated; the Anti-Bullying Policy is available on our website. The school is strongly committed to promoting equal opportunities for all, regardless of race, religion, culture, sex, gender, sexual orientation, special educational needs, pregnancy and maternity, disability or learning difficulty, or the fact that a child is adopted, looked after or is a carer.

Longridge Towers School takes its duties under the Equality Act 2010 seriously, recognising the importance of protected characteristics, and makes reasonable adjustments for pupils with special educational needs/ disabilities.

We expect pupils to be ready to learn and to participate in school activities. They should attend school and lessons punctually and they should care for the buildings, grounds, furniture and equipment. It is also expected that pupils always behave in a manner that reflects the best interests of the whole community.

The School reserves the right to take disciplinary action against pupils who are found to have made malicious accusations, whether against other pupils, staff or other individuals, which might include any of the actions listed in this Policy up to and including suspension/ exclusion.

In the event of any serious or on-going behaviour management issues, the school will liaise closely with parents where practical and, if relevant, other support agencies. The School has several support systems in place to meet the needs of all pupils. These include an extensive pastoral team.

Longridge welcomes feedback from parents on the effectiveness of our behaviour management measures and all other aspects of this policy.

Unexplained Absences

We will always telephone parents on the first day of an unexplained absence to determine the pupil's whereabouts, in accordance with the School's safeguarding obligations, and the School's Missing Child Policy.

Involvement of Pupils

Our experience shows that the ethos of and respect for the school is enhanced by listening to our pupils and by encouraging constructive suggestions from them. This may be via discussion with Form Tutors and other staff, in Personal Social and Health Education (PSHE) or other lessons, or via the Junior and Senior School Councils, which meet regularly.

It is also important that pupils are made aware of the principles set out in this policy. To that end, the key points are presented to pupils in assembly and discussed via Form Tutors so that they fully understand the concepts that are conveyed.

School Rules

The School Rules are designed to encourage positive behaviour and self-discipline.

Copies of the School Rules are set out in the School Handbook and on the school's website in the School Handbook and may change from time to time. Parents and Guardians agree, when signing the Parent Contract, that their child will comply with the School Rules and that they will undertake to support the authority of the Headmaster in enforcing the School Rules in a fair manner that is designed to safeguard the welfare of the School community as a whole.

The school's position on searching pupils and use of reasonable force, and confiscation is set out in policy 1F Using Reasonable Force.

Promoting Good Behaviour

At Longridge, we reward and encourage good behaviour, and celebrate curricular and extracurricular achievements from our pupils.

In the Junior Department, pupils are praised or thanked for kind, helpful, caring actions and staff work to promote positive attitudes in class and around the department. Children are encouraged to have the self-discipline to 'do the right thing' because they enjoy doing the right thing and they see the benefits that these actions bring.

For Senior pupils, there is a Merit system designed to recognise and reward positive behaviour. Details are included in Appendix A.

Teaching and Learning

The School aims to raise the aspirations of all of its pupils and to help them to appreciate their potential for achievements both inside and outside the classroom. Pupils are encouraged to take responsibility for their own learning. We celebrate success, emphasise the positive and deal with the negative in a sensitive and tactful way within the School. Our teaching staff offer every pupil a high level of individual attention, together with consistent and helpful advice. In return, we expect all pupils to cooperate and to work hard.

Sanctions

It is hoped that pupils will respond to the School's positive encouragement and rewards and will comply with the School Rules. However, the School acknowledges that from time to time, pupils' conduct may fall below the standards of behaviour reasonably expected by the School. On such occasions, the School will explore the reasons behind such behaviour and may apply the sanctions (see Appendix B) to assist the School in enforcing the School Rules, and help the School to set boundaries and to manage unacceptable or challenging behaviour from pupils.

Sanctions are intended to be restorative in nature and staff will take reasonable opportunities to explore the causes of misbehaviour, help pupils to learn from their experiences and offer support to help them avoid similar misconduct in the future.

The Headmaster undertakes to ensure that sanctions are applied fairly, and, where appropriate, after due investigative action has taken place. Sanctions may undergo reasonable change from time to time but will not involve any form of unlawful or degrading activity. Corporal punishment is illegal and is never used or threatened at our School.

Examples of sanctions include:

- Verbal reprimand from a member of staff
- Letter to parents to advise of the misbehaviour
- Additional schoolwork or repeating unsatisfactory work until it meets the required standard
- Detention at break/lunch time or after School
- Withdrawal of privileges
- Confiscation of property that is being used inappropriately or without consideration
- School based service or imposition of a task, under the supervision of a member of staff; such as removing marks or chewing gum from a desk
- Assistance with domestic tasks, such as collecting litter
- Regular reporting, including academic performance reporting, early morning reporting, scheduled uniform and/ or other behaviour checks, or being identified for behaviour monitoring
- Withdrawal from a lesson, school trip or team event
- Suspension for a specified period, or ultimately exclusion

All misbehaviour or disciplinary incidents will be dealt with as soon as practicable. Any sanctions will be administered by relevant staff according to the nature and severity of the offence. Teachers are responsible in the first instance for dealing with minor infringements, such as lateness, casual rudeness or disruption in class, and late or poorly completed work. He/she may impose any of the sanctions above, such as the setting of additional work or a verbal warning. For Senior pupils, misdemeanours are entered onto the school (3SYS) management system. Misdemeanours are monitored daily and reported to Heads of Year, the Head of Pastoral Care and the Deputy Head. For more serious misdemeanours, or where there is a repeated pattern, appropriate sanctions are then agreed/imposed, in line with the indicative details included in Appendix B.

For boarding pupils, persistent lateness to bed, disrupting other members of the boarding house, etc. may result in the House Parents requiring the pupil to undertake additional domestic or service-based tasks under supervision.

For Senior pupils, persistently poor academic performance may result in the Head of Year or Form Tutor requiring a pupil to be placed on academic performance report where the pupil's teachers will make written comments on the pupil's performance at the end of every lesson for a period of usually one or two weeks.

For Junior pupils, most incidents of poor behaviour are relatively minor and are dealt with by the class teacher or duty staff at the time. Any incident that is considered more serious is referred to the Head/ Deputy Head of the Junior Department and are recorded in a Behaviour Log. This is checked regularly and monitored for patterns etc.

In applying sanctions, especially those with serious consequences, we undertake to take reasonable steps to avoid placing pupils with SEND or a particular vulnerability at a particular disadvantage compared to other pupils, in accordance with the School's obligations under the Equality Act 2010.

The School has a confidential register of all sanctions imposed for serious misbehaviour held by the Head's PA. The entries on this register include the pupil's name and year group, the nature and date of the offence and the sanction imposed.

Serious misbehaviour

The School's Suspension and Exclusion Policy is set out on the school's website, and all parents and pupils should be aware of the more serious sanctions, including suspension and exclusion, that the Headmaster can impose for serious breaches of the School Rules, including but not limited to criminal behaviour. Examples of serious breaches of the School Rules which may result in serious sanctions include:

- Drug abuse;
- Alcohol and tobacco abuse;
- Theft;
- Bullying;
- Physical assault/ threatening behaviour;
- Fighting;
- Sexual harassment;
- Sexual violence
- Racist or sexist abuse;
- Sexual misconduct including sexting;
- Damage to property; and
- Persistent disruptive behaviour;

Serious sanctions in accordance with the School's Suspension and Exclusion Policy may also be imposed where unsatisfactory behaviour has continued despite previous disciplinary sanctions and/ or warnings.

The School may be forced to permanently exclude a pupil, or to require him/ her to be withdrawn in the event that other disciplinary measures, including suspension (temporary exclusion), have been ineffective. If there is evidence of criminal behaviour, the School will contact the Police.

Contextual Safeguarding

Staff will always consider the context and motive of a pupil's misbehaviour and consider whether it raises any concerns for the welfare of the pupil. If staff reasonably suspect that a pupil may be suffering, or is likely to suffer significant harm, they should follow the procedures set out in the School's Safeguarding Policy and discuss their concerns with the School's Designated Safeguarding Lead (DSL), without delay.

The School will also consider whether any disruptive behaviour might be the result of unmet educational needs, or any other needs, and will discuss concerns with the pupil's parents accordingly.

Allegations Against Staff

The School takes its responsibilities for safeguarding extremely seriously. All members of the School community should be aware that any allegation of improper behaviour or unprofessional conduct made against a member of staff will be treated with the utmost seriousness and will always be managed in accordance with the procedures set out in the appropriate School policies and procedures, in particular the Safeguarding Policy.

Should an allegation made by a pupil against a member of staff be found to be malicious, the School reserves the right to treat this action as serious misbehaviour by the pupil, and manage that misbehaviour in accordance with this policy, and the School's Suspension and Exclusion Policy, as appropriate. Pupils should be aware that malicious allegations against staff (or indeed other pupils) of abuse may result in the suspension or permanent exclusion of the accuser, from the School, and that such incidents may also be referred to the Police, where appropriate to do so.

Misbehaviour Outside Of School or Online

On occasion the School may apply the provisions of this policy to misbehaviour that occurs whilst pupils are outside the School and:

- taking part in any activity organised by the School, or related to the School;
- travelling to and from school;
- wearing school uniform; or
- in some other way identifiable as a pupil of the school.

This is especially the case for incidents which could have repercussions for the orderly running of the School, or which may pose a threat to another student or member of the public, or where the reputation of the School may be negatively impacted as a result of the misbehaviour.

Serious misbehaviour outside of school, including online, will be dealt with in accordance with the School's Suspension and Exclusion Policy, which is available on the school website.

Complaints

We hope that parents will not feel the need to complain about the operation of our Behaviour Management Policy, and that any difficulty can be sensitively and efficiently handled before it reaches that stage. However, the School's Complaints Policy (which applies equally in the EYFS setting) is on our website. We will send parents printed copies on request.

Monitoring and Review

The School will record all behavioural incidents and sanctions in accordance with this policy which will be used to monitor behavioural issues within the School and to evaluate the effectiveness of this policy.

The School will consider whether there are patterns of concerning, problematic or inappropriate behaviour among pupils, including within the Boarding House which may indicate that there are possible cultural issues that may be enabling inappropriate behaviour to occur. When patterns are identified, the School will decide an appropriate course of action, which may include more staff training, incorporating learning points into pupil's PSHE/RSE lessons, or amending this policy.

Use of Reasonable Force

It is highly unusual at Longridge Towers School for situations to arise whereby pupils find themselves in the position where physical restraint or the use of reasonable force would be an appropriate response to their behaviour. School staff are, however, aware that their work brings them into contact with young people and adults whose emotions may override their ability to make informed judgements on the best way to respond to situations they find themselves in.

The Department for Education document "Use of Reasonable Force (July 2013)" makes it very clear as to the circumstances under which using reasonable force may be considered. These are to:

- Remove disruptive pupils from the classroom where they have refused to follow instructions to do so;
- Prevent a pupil behaving in a way that disrupts a school event or a school trip or visit;
- Prevent a pupil leaving the classroom where allowing the pupil to leave would risk their safety or lead to behaviour that disrupts the behaviours of others;
- Prevent a pupil from attacking a member of staff or another pupil, or to stop a fight in the playground; and
- Restrain a pupil at risk of harming themselves through physical outbursts.

Our preference wherever possible is to avoid the use of any physical force or contact with pupils, and to manage situations in a way whereby using reasonable force is finally the only available option left for

keeping pupils, staff and the pupil concerned safe. Full information is clearly set out in our 'Using Reasonable Force' Policy', a copy of which is available on request.

In the event that contact occurs that is, or could be construed as, constraint or where force is required to restrain a pupil, for whatever reason, then it is the School's policy to submit a timely written report to the Designated Safeguarding Lead to record the facts of the interaction or altercation. We hope that this approach will lead to the appropriate management, review and recording of any such unusual situations.

We will always inform a parent when it has been necessary to use physical restraint on their child, and work with them, so that we can, if necessary, agree on a protocol or plan for managing their child's behaviour. Parents of EYFS pupils will be informed of the incident on the same day or as soon as is reasonably practicable.

Searching

The School reserves the right to search pupils and their possessions.

The Headmaster, or a member of staff authorised by the Headmaster, may search a pupil provided there is another staff member present as a witness. The School does not conduct intimate searches and only a pupil's outer clothing (for example coats, hats, shoes, gloves and scarves) will be removed to facilitate a search, but a pupil will first be given the opportunity to 'empty their pockets' and to disclose anything that they should not have in school.

The School will always consider the age of the pupil to be searched and any SEND or vulnerabilities the pupil may have before conducting the search to decide whether any additional precautions or adjustments are needed, in accordance with the School's Safeguarding Policy.

The consent of a pupil will usually be obtained before conducting a search unless the Headmaster (or authorised member of staff) reasonably suspects that the pupil has in his/her possession an item that has been, or is likely to be, used to commit an offence, or to cause personal injury to any person (including the pupil being searched), or cause damage to property, or the pupil has, or is reasonably suspected to have in his/her possession any of the following items:

- Knives;
- Weapons;
- Alcohol;
- Illegal drugs;
- Stolen items;
- Tobacco and cigarette papers, vapes or smoking paraphernalia;;
- Fireworks;
- Pornographic or offensive images; or
- Any item banned by the School Rules (including electronic devices).

Where a member of staff reasonably believes that there is a risk of serious harm to any person (including to the pupil being searched) if the search is not carried out immediately, the Headmaster (or authorised member of staff) is permitted to carry out a search of a pupil of the opposite sex. The Headmaster (or authorised member of staff) is also permitted to undertake a search in this circumstance without a witness present only where it is not practical to summon another member of staff.

The School will inform the pupil's parents of any search conducted after the event, particularly where alcohol, illegal drugs or potentially harmful substances have been found as a result of the search. The parent's prior consent to undertake a search is not required.

The School will keep a record of all searches carried out, including the results of any search, and the actions taken following that search.

Confiscation

A member of staff carrying out a search may seize any item that they have reasonable grounds for suspecting is a prohibited item or may be evidence in relation to an offence.

Where a search identifies alcohol, tobacco or cigarettes, or fireworks they may be retained or disposed of by the member of staff but will not be returned to the pupil.

Controlled drugs will be delivered to the Police as soon as reasonably practicable but may be disposed of if the member of staff considers there is good reason to do so. Substances that are not believed to be controlled drugs however, but that are believed to be harmful or detrimental to good order or discipline, may be confiscated by a member of staff. If the School is uncertain as to the legal status of a substance it will be treated as if it is controlled.

In respect of weapons, or items that are believed to be evidence of an offence, these will be passed to the Police as soon as possible. Stolen items may be retained or returned to the rightful owner, if there is good reason to do so.

Where a search identifies an item banned under the School Rules, the member of staff conducting the search should take into account all relevant circumstances and use their professional judgement to determine whether the item should be returned to its owner, retained by the School or disposed of.

Electronic Devices

Where an electronic device is found during a search and that device is prohibited by the School Rules, or where the member of staff undertaking the search reasonably suspects that the device has been, or is likely to be used to commit an offence or cause personal injury or damage to property, the School may examine relevant data or files on the device, where there is good reason to do so. Parental consent to search through the electronic devices is not required. Staff should be aware that where images are concerned and suspected to be in relation to sexting of sexually explicit pictures of a pupil, these images should not be viewed, and the matter must be referred immediately to the DSL.

Any decision to search a pupil's device should be based on the professional judgement of the DSL and should always comply with the School's Safeguarding Policy. The School will document the decision, including times, dates and reasons for decisions made in its safeguarding records.

The School may also erase any data or files from the device if the School considers there to be good reason to do so, unless there are reasonable grounds to suspect that the device may contain evidence in relation to a criminal offence (for example, certain pornographic material), where the files should not be deleted and the device must be given to the Police without delay.

If, following a search, the member of staff determines that the device does not contain any evidence in relation to an offence, the School can decide whether it is appropriate to delete any files or data from the device, and may confiscate the device as evidence of a breach of this policy and may then punish the pupil in accordance with this policy and the Suspension and Exclusion Policy, where appropriate.

In the event that the search highlights a safeguarding concern in respect of any pupil, the School will follow the procedures set out in the School's Safeguarding Policy, which is available on the school website.
