Tips for Novice Exhibitors

Jams and Marmalade. The judge will be looking for a lovely full jar. All jars should be sealed with a wax disc and cellophane. There should be a clear label on each jar stating the date made and the variety.

Chutney improves greatly with age and so ideally should be shown a few months after making. Again, sealing and labelling are important.

When staging your item use a sealed, small brown envelope or buff coloured luggage label to write your name, class and age. If you are not a pupil just state your name and relationship to the school e.g., parent, grandma, bus driver etc. etc. This should be placed under the item, face down.
