Dear Parents/Guardians,

We are thrilled to announce the upcoming Art and Culture trip to the vibrant city of New York City in April 2025! New York City is a melting pot of creativity, diversity, and endless opportunities for exploration, making it the perfect destination for an unforgettable educational adventure.

Scheduled from April 12th to April 17th, 2025, this six-day, five-night excursion promises an immersive experience in one of the world's most iconic cultural hubs. From the dazzling lights of Broadway to the serene beauty of Central Park, each day will be filled with enriching activities designed to inspire and educate our students.

Our estimated cost for this extraordinary trip is approximately £2,200 per student, covering flights, accommodations, guided tours, entrance fees to renowned attractions, and breakfasts and dinners. Please note that this cost may vary slightly based on final flight and hotel bookings.

Leading this exciting journey will be Miss McCalvey and Mr. Jones, accompanied by another dedicated member of our staff. Rest assured, safety and supervision will be our utmost priority throughout the trip.

We are partnering with European Study Tours (www.euro-study-tours.co.uk), a reputable tour operator with a proven track record in organising successful school trips. Their expertise ensures a seamless and enjoyable experience for all participants.
