Longridge Towers School

Longridge Towers School is a small independent school set in its own beautiful, safe grounds; a perfect environment for pupils aged 3 - 19. We are a friendly and vibrant learning community, with high aspirations for the children in our care and the staff team that supports them.

Longridge is situated in North Northumberland, three miles from the picturesque town of Berwick-upon-Tweed.

The School attracts pupils from a wide geographical area on both sides of the English/Scottish Border.

Our Site and Location

We are fortunate to be surrounded by some of the most stunning and scientifically significant landscapes in the country.

Our pupils have access to pristine beaches scattered with fossils, while the coastal geology is internationally renowned. Just a short distance away, St Abbs Head and Seahouses are well known for their seabird breeding colonies, and boat trips to the Farne Islands offer unique wildlife experiences.

The River Tweed system has long been a hub for engineering innovation, exemplified by the nearby Union Bridge. We are also close to remarkable historical sites such as Bamburgh Castle, Alnwick, and Holy Island. As a school community, we are deeply enriched by these local treasures, and our pupils have countless opportunities to explore, appreciate, and learn from them.

Our onsite facilities include a library, science laboratories, a specialist music room, dedicated art studio, design centre, sports hall and an elegant Main Concert Hall as well as a theatre. Outside, the setting for our sports fields is breath-taking, with mature trees and open views across the Tweed Valley. We have extensive grass areas for rugby, hockey, cricket pitches, an athletics facility and we benefit from an all-weather sports pitch.

The grounds are also used as an outdoor classroom for science study, projects, nature watching, art and treats such as camps and treasure hunts, and of course our younger pupils always enjoy a Teddy Bear's Picnic.

Are you a flexible and reliable cleaner?
