

## **Secondary Science (Biology specialism) Teacher (0.5 FTE)**

**Required for September 2026**

**Salary: Between £30,776 and £42,957 (pay award pending) pro-rata**

Are you passionate about inspiring curiosity and nurturing the next generation of scientists? Longridge Towers School is seeking to recruit an enthusiastic and committed part-time Teacher of Science (Biology specialism) to join our dynamic and forward-thinking school community.

This role offers the opportunity to teach Science across a wide age range, including A Level Biology, while contributing to an innovative and enriching curriculum that supports outstanding pupil outcomes.

We are looking for a suitably qualified and motivated teacher who has a passion for the subject, as well as a desire to make a difference for our pupils. We would expect the successful candidate to teach across Key Stage 3, 4 and 5 and make active contributions in support of our whole school and through our extra-curricular enrichment programme.

The ability to teach a second subject, preferably in Agriculture or Psychology would be desirable. Newly qualified or experienced teachers are welcome to apply for this permanent, part-time position starting in September 2026.

Located just three miles from the picturesque town of Berwick-upon-Tweed in North Northumberland, Longridge attracts pupils from across both sides of the Scottish Border. Our collaborative, innovative, and friendly environment provides a space where teachers and pupils alike can thrive.

**Closing date: 9am Thursday 11<sup>th</sup> June, interviews will be held shortly after this date.**

Further information and application form are available on our website <https://lts.org.uk/vacancies/> Longridge Towers School is committed to safeguarding and promoting the welfare of children and young people. Applicants must be willing to undergo an Enhanced DBS check. Longridge Towers School, Society of Heads, Independent co-educational, day and boarding pupils, aged 3 - 19 years.
