Longridge has a tangible school ethos that is expressed through its pupils in their interactions both within and outside their school community.

Longridge is characterised by its nurturing and caring environment as well as by its holistic approach to education. Individuals develop and gain confidence throughout their experiences at school. Underpinning this is an academic approach that is challenging for pupils and innovative; a curriculum that is broad as well as inclusive, together with a learning environment that is enjoyable.

This ethos permeates the School's aims and mission. It is supported by the School's values and beliefs. These include the values which were updated with significant pupil input to be Care, Achieve, Respect, Persevere and Excel (CARPE).

We have an active school community where everyone plays their part in ensuring that this ethos is an enduring one.
